Violation

The defendant shall not commit another federal, state, or local crime.

The defendant shall participate as directed in a substance abuse program.

The defendant shall participate in a program of mental health treatment, as directed by the probation office.

Nature of Noncompliance

On October 5, 2019, the defendant was arrested by the Butler City Police Department on several charges including Driving Under the Influence. According to the police report, officers observed a vehicle disobeying traffic laws. Upon activating their emergency lights and sirens, the vehicle accelerated at a high rate of speed. Additionally, the driver deactivated the vehicle's head and tail lights in attempt to elude apprehension. Officers lost sight of the vehicle for a short time, but then located it crashed into a building. Upon contact with the vehicle, officers discovered the vehicle was empty. The registration was run and came back to the defendant. Upon search of the area, they observed the defendant walking on the street. It was reported the defendant had the keys to the car on his person. He was placed under arrest and taken to the police station, where a chemical test for breath resulted in .02%. The defendant was formally

charged on October 6, 2019, at OTN: U756632-2, with Fleeing or Attempting to Elude Officer (M), Driving Under the Influence (M), Accident Involving Damage (S), Driving While License Suspended (S), in addition to several traffic violations. The defendant was held in custody until he posted bond on October 11, 2019.

The defendant contacted this officer upon his release. The defendant reported he allowed a friend to borrow his truck while they were socializing at a bar. He advised the friend was the one driving his vehicle during the events noted above. He stated that when his friend failed to return to the bar in a reasonable time, he began to walk home. Reportedly, on his walk home, he was approached and arrested by officers. The defendant had a preliminary hearing on October 21, 2019, during which the case was held for court.

Furthermore, the Court is notified the defendant was unsuccessfully discharged from substance abuse and mental health treatment on October 8, 2019, for failure to comply with program's attendance policy.

I declare under penalty of perjury that the foregoing is true and correct.
